ABOUT ME

I am a young and passionate student of Information Technologies in Wrocław. I'm currently looking for ways to broaden up my horizons and further develop my skills, alongside my current studies. Besides IT I'm also interested in music and I'm playing on the guitar as a hobby. I'am a very talkative and likeable person, and I'm looking forward to making new acquaintances.

SKILLS

Programming Languages: C, C++, Java, Python3, C#, Ruby.
Web Technologies: HTML, CSS, Javascript, Bootstrap.
Operations Technologies: Git, Bash.
Operating Systems: Windows 10, GNU/Linux (Manjaro / Ubuntu).
Other: MsWord, MsExcel, MsAcces, LaTeX, Vim, Gimp.
Driving Licence: B Category.

EDUCATION

Studies in IT at University of Wrocław	2019 - Present
High School no. 3 in Wrocław (IT oriented class)	2016 - 2019

EXPERIENCE

Simple arcade game written in C as a project for my Studies.
`https://github.com/KaMaCH12/Projekt`
My own website I made in my free time, to develop my web-development skills.
`https://kamach12.github.io/`
I was also a volunteer at the Guitar Guiness Record in Wrocław, back in the April of 2017.
